

Stepaside, Halton

£400,000

Found along the calm prestigious Denny Beck Lane, Stepside sits on a stunning raised established plot, surrounded by gorgeous gardens and an abundance of wildlife.

Just a short walk from Denny Beck iron Bridge spanning this idyllic stretch of the river Lune, Halton village can be found on the opposite side (as is the Greyhound Pub).

This beautiful bungalow is the perfect residence for peaceful living in a charming scenic setting, with the added benefit of easy access to the local amenities.

The potential of this incredible property is vast. A family home from its outset and having had just one owner built to his exacting standards and on the first 'sold' plot on Denny Beck Lane (no coincidence it is the largest plot too), Stepside is ready for its new chapter of family ownership.
